New Product Release - March 2009

**MotionGrade™**  
Connectors & Cables

M23 and M40 Connectors

-featuring FlexGrip™ and RockSolid™ Technology

**MotionGrade™ M23 and M40 Connectors** are designed to excel in performance and reliability in our customers' most demanding environments. Our innovations and experience as an industry leader in connector technology and total interconnect solutions allow us to offer such features as our **FlexGrip™ Backshell System** and **RockSolid™ Contacts**. These and other features combined with a simplistic design approach reduce initial procurement and assembly cost, while ensuring compatibility to all other existing standard layouts. Amphenol's **MotionGrade™ M23 and M40** products are ideally suited for advanced servo drive encoder feedback applications, packaging, robotic, printing, machine tool, medical and automation environments where control signal transmission or power are required in a robust and compact delivery system.

For more information on these product lines, please feel free to download the M23 and M40 Connectors Catalog [here](#). In addition, please feel free to contact [Kate Wilton, Program Manager](#) at 1.800.394.7732 Ext. 8668 or email: [kate@sineco.com](mailto:kate@sineco.com).
